

Confidential Opening:

Controller – Private Club, Metro Detroit (northern suburbs)

Qualifications: Accounting degree, CPA a plus, Club or non-profit experience preferred. This position reports to the Club manager and is responsible for financial reporting, accounting, treasury, payroll, tax, budgeting, insurances and other business management for the Club. This position manages the accounting and office staff to ensure all requirements and deadlines are met. This position is best suited for a team player having capable skills in working with all stakeholders, including the management team, the Board, Club committees and members. The Club is primarily a social club with 900+ members.
