

**GENERAL MANAGER POSTING  
THE VILLAGE CLUB**

The Village Club of Bloomfield Hills, Michigan, is seeking an experienced and skilled General Manager for its 750 members. Founded in 1956, The Village Club is a premier private women's club and is consistently voted as "best private club in the suburbs" by Hour Magazine. The Club provides a unique, private club experience in a friendly and gracious environment for its members while offering fine dining, cultural, educational, social and philanthropic opportunities. A positive dining experience is a top priority among the members. A banquet business is also offered for special occasions.

The General Manager reports directly to the Board of Directors and is responsible for carrying out the Board's policies and objectives in an efficient and effective manner in accordance with the Club's rules and procedures. Responsibilities include but are not limited to the following: oversight of overall Club, restaurant and banquet operations; facilities maintenance; monitoring Club operations to achieve budget results; and directing the daily activities of the Club to ensure a high quality experience is provided to the members. The General Manager is expected to maintain high standards for the Club, the service, and the staff.

The applicant must have a minimum of five years' experience in executive club management with a strong background in hospitality services. Job requirements include a Bachelor's Degree and certification as a Club Manager. Being a member of the Club Managers Association of America (CMAA) is a plus.

Salary and benefits are commensurate with experience.
