Basking under a bright tropical sun on the western edge of the Great Bahama Bank lies a tiny t-shaped dot of gleaming sand and coral that brings to a glittering reality the dream of an island paradise. This land is Cat Cay and surpasses all others.

Over the years Cat Cay Yacht Club has managed to combine the best features of private island life with the infrastructure of a major resort. Many members own luxurious beachfront homes, play tennis or golf on well-maintained inland facilities, dock their yachts in the protected marina, explore pristine beaches, and dine in the island's gourmet restaurant. Members treasure the ultimate luxury of having a private island paradise to share with family and invited guests at their Bahamas private island homes. An air of casual elegance best describes the feel of Cat Cay Yacht Club.

A recently-lengthened 1,950 foot runway on a man-made airstrip on the east side provides easy access to the island from Florida. Cat Cay is located 50 miles SE of Miami, only 30 minutes away by air. Once ashore the only allowed transportation on the island is by foot, bicycle or golf cart.

Generations of members have forged a strong community and connection to preserving this island paradise. Membership is offered by invitation to those who share a common vision and value a community that holds privacy to the highest degree. Being exclusive yet inclusive to like-minded individuals offers an island club like no other.
